The Administrator may amend, modify or terminate any Subplans at any time, and such amendment, modification or termination may be made without prior notice to the Participants. The Company, Affiliates and members of the Administrator shall not incur any liability of any kind to any Participant as a result of any change, amendment or termination of any Subplan at any time. The benefits and rights provided under any Subplan or by any Non-U.S. Award (x) are wholly discretionary and, although provided by either the Company or an Affiliate of the Company, do not constitute regular or periodic payments and (y) except as otherwise required under applicable laws, are not to be considered part of the Participant's salary or compensation under the Participant's employment with the Participant's local employer for purposes of calculating any severance, resignation, redundancy or other end of service payments, vacation, bonuses, long-term service awards, indemnification, pension or retirement benefits, or any other payments, benefits or rights of any kind. If a Subplan is terminated, the Administrator may direct the payment of Non-U.S. Awards (or direct the deferral of payments whose amount shall be determined) prior to the dates on which payments would otherwise have been made, and determine if such payments may be made in a lump sum or in installments.

Article III
SHARES SUBJECT TO PLAN

Section 3.1 Shares Subject to Plan.

(a) Subject to Section 3.3 and Section 3.6, the aggregate number of Shares which may be issued under this Plan shall be 2,400,000 (the “**Share Limit**”). All of the Shares reserved under the Plan may be issued in the form of Incentive Stock Options under the Plan, subject to the limitation set forth in Section 3.6. The Shares issued under the Plan may be authorized but unissued, or reacquired Company Common Stock. No provision of this Plan shall be construed to require the Company to maintain the Shares in certificated form. Unless the Administrator shall determine otherwise, (x) Awards may not consist of fractional shares and shall be rounded down to the nearest whole Share, and (y) fractional Shares shall not be issued under the Plan (and shall instead also be rounded as aforesaid).

(b) If any Award or portion thereof under this Plan is for any reason forfeited, canceled, cash-settled, expired or otherwise terminated without the issuance of Shares, the Shares subject to such forfeited, canceled, cash-settled, expired or otherwise terminated Award, or portion thereof, shall again be available for grant under the Plan. If Shares are tendered or withheld from issuance with respect to an Award by the Company in satisfaction of any Exercise Price, Base Price or tax withholding or similar obligations, such tendered or withheld Shares shall again be available for grant under the Plan. Notwithstanding the foregoing, and except to the extent required by applicable law, Replacement Awards shall not be counted against Shares available for grant pursuant to this Plan.

Section 3.2 Limitation on Non-Employee Director Awards. The maximum number of Shares subject to Awards granted during a single Compensation Year to any non-employee Director, taken together with any cash fees paid during the Compensation Year to the non-employee Director, in respect of the Director’s service as a member of the Board during such year (including service as a member or chair of any committees of the Board), shall not exceed (i) \$500,000 in total value; or (ii) in the event such non-employee Director is first appointed or elected to the Board during such Compensation Year, \$750,000 in total value, or (iii) in the event such non-employee Director is serving as non-employee Chairperson (or co-Chairperson) of the Board, \$750,000 in total value, in each case calculating the value of any equity awards based on the grant date fair value of such equity awards for financial reporting purposes.

Section 3.3 Changes in Company Common Stock; Disposition of Assets and Corporate Events.

(a) If and to the extent necessary or appropriate to reflect any stock dividend, extraordinary dividend, stock split or share combination or any recapitalization, merger, consolidation, exchange of shares, spin-off, liquidation or dissolution of the Company or other similar transaction affecting the Company Common Stock (each, a “**Corporate Event**”), the Administrator shall adjust the number of shares of Company Common Stock available for issuance under the Plan, the ISO Limit, and the number, class and Exercise Price (if applicable) or Base Price (if applicable) of any outstanding Award, and/or make such substitution, revision or other provisions or take such other actions with respect to any outstanding Award or the holder or holders thereof, in each case as it determines to be equitable. Without limiting the generality of the foregoing sentence, in the event of any such Corporate Event, the Administrator shall have the power to make such changes as it deems appropriate in (i) the number and type of shares or other securities covered by outstanding Awards, (ii) the prices specified therein (if applicable), (iii) the securities, cash or other property to be received upon the exercise, settlement or conversion of such outstanding Awards or otherwise to be received in connection with such outstanding Awards and (iv) any applicable Performance Goals. After any adjustment made by the Administrator pursuant to this Section 3.3, the number of shares subject to each outstanding Award shall be rounded down to the nearest whole number of whole or fractional shares (as determined by the Administrator), and (if applicable) the Exercise Price or Base Price thereof shall be rounded up to the nearest cent.

(b) Any adjustment of an Award pursuant to this Section 3.3 shall be effected in compliance with Section 424 and 409A of the Code to the extent applicable.

Section 3.4 Award Agreement Provisions. The Administrator may include such provisions and limitations in any Award Agreement as it shall determine, subject to the terms of the Plan.

Section 3.5 Prohibition Against Repricing. Except to the extent (i) approved in advance by the stockholders of the Company or (ii) pursuant to Section 3.3 as a result of any Corporate Event or pursuant to Article XI in connection with a Change in Control, the Administrator shall not have the power or authority to reduce, whether through amendment or otherwise, the Exercise Price of any outstanding Option or Base Price or any outstanding SAR or to grant any new Award, or make any cash payment, in substitution for or upon the cancellation of Options or SARs previously granted and as to which the Exercise Price or Base Price thereof is in excess of the then-current Fair Market Value of Share.

Section 3.6 Maximum Number of Incentive Stock Options. Notwithstanding the Share Limit, and subject to adjustment in accordance with Section 3.3 hereof, the maximum number of Shares that may be granted in connection with, and issued pursuant to the exercise of, Incentive Stock Options granted under this Plan is 2,400,000 shares (the "ISO Limit").

Article IV **OPTIONS AND SARs**

Section 4.1 Grant of Options and SARs. The Administrator is authorized to make Awards of Options and/or SARs to any Service Provider in such amounts and subject to such terms and conditions as determined by the Administrator, consistent with the Plan. SARs may be granted in tandem with Options or may be granted on a freestanding basis, not related to any Option. Excluding Replacement Awards, the per Share purchase price of the Shares subject to each Option (the "Exercise Price") and the Base Price of each SAR shall be not less than 100% of the Fair Market Value of a Share on the date such Option or SAR is granted. Each Option and each SAR shall be evidenced by an Award Agreement.

Section 4.2 Exercisability and Vesting; Exercise. Each Option and SAR shall vest and become exercisable according to the terms and conditions as determined by the Administrator. Except as otherwise determined by the Administrator, SARs granted in tandem with an Option shall become vested and exercisable on the same date or dates as the Options with which such SARs are associated vest and become exercisable. SARs that are granted in tandem with an Option may only be exercised upon the surrender of the right to exercise such Option for an equivalent number of Shares, and may be exercised only with respect to the Shares for which the related Option is then exercisable. The Administrator shall specify the manner of and any terms and conditions of exercise of an exercisable Option or SAR, including but not limited to net-settlement, delivery of previously owned stock and broker-assisted sales.

Section 4.3 Settlement of SARs. Upon exercise of a SAR, the Participant shall be entitled to receive payment in Shares, or such other form as determined by the Administrator, having an aggregate value equal to the Fair Market Value of one Share on the exercise date over (ii) the Base Price of such SAR; provided, however, that on the grant date, the Administrator may establish a maximum amount per Share that may be payable upon exercise of a SAR.

Section 4.4 Expiration of Options and SARs. No Option or SAR may be exercised after the expiration of ten (10) years from the date the Option or SAR was granted, unless a longer or shorter period is set forth in the Award Agreement. Notwithstanding the foregoing, in the event that on the last business day of the term of the Option or SAR (x) the exercise of the Option or SAR is prohibited by applicable law or (y) Shares may not be purchased or sold by certain employees or directors of the Company due to the "black-out period" of a Company policy or a "lock-up" agreement undertaken in connection with an issuance of securities by the Company, the term of the Option or SAR shall be extended but not beyond a period of thirty (30) days following the end of the legal prohibition, black-out period or lock-up agreement (to the extent permissible under Section 409A of the Code) and provided further that no extension will be made if the applicable Exercise Price or Base Price at the date the initial term would otherwise expire is below the Fair Market Value on such date.

Article V
Restricted Stock Awards AND RESTRICTED STOCK UNIT AWARDS

Section 5.1 Restricted Stock. The Administrator is authorized to make Awards of Restricted Stock to any Service Provider selected by the Administrator in such amounts and subject to such terms and conditions as determined by the Administrator. All Awards of Restricted Stock shall be evidenced by an Award Agreement. Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Administrator may impose. These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Administrator determines at the time of the grant of the Award or thereafter. The issuance of Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Administrator shall determine.

Section 5.2 Restricted Stock Units. The Administrator is authorized to make Awards of Restricted Stock Units to any Service Provider selected by the Administrator in such amounts and subject to such terms and conditions as determined by the Administrator. The Administrator may specify any conditions to vesting as it deems appropriate. For the avoidance of doubt, the Administrator may grant Restricted Stock Units that are fully vested and nonforfeitable when granted. At the time of grant, the Administrator shall specify the settlement date applicable to each grant of Restricted Stock Units. Unless otherwise provided in an Award Agreement, on the settlement date, the Company shall, subject to the terms of this Plan, transfer to the Participant one Share (or a cash amount equal to the then Fair Market Value of a Share) for each Restricted Stock Unit scheduled to be paid out on such date and not previously forfeited. A Participant shall not be, nor have any of the rights or privileges of, a stockholder in respect of Restricted Stock Units awarded pursuant to the Plan unless and until the Shares attributable to such Restricted Stock Units have been issued to such Participant. Notwithstanding the foregoing, unless otherwise determined by the Administrator, the Restricted Stock Units awarded pursuant to the Plan will receive Dividend Equivalents in accordance with Article VIII.

Article VI
Performance AWARDS

Section 6.1 Grant of Performance Awards. The Administrator is authorized to make Performance Awards to any Participant selected by the Administrator in such amounts and subject to such terms and conditions as determined by the Administrator. All Performance Shares and Performance Units shall be evidenced by an Award Agreement.

Section 6.2 Issuance and Restrictions. The Administrator shall have the authority to determine the Participants who shall receive Performance Awards; the number of Performance Shares, the number and value of Performance Units; the cash entitlement of any Participant with respect to any Performance Cycle; and the Performance Goals applicable in respect of such Performance Awards for each Performance Cycle. The Administrator shall determine the duration of each Performance Cycle (the duration of Performance Cycles may differ from one another), and there may be more than one Performance Cycle in existence at any one time. An Award Agreement evidencing the grant of Performance Shares or Performance Units shall specify the number of Performance Shares and the number and value of Performance Units awarded to the Participant, the Performance Goals applicable thereto, and such other terms and conditions as the Administrator shall determine. Unless the Administrator shall determine otherwise, no Company Common Stock will be issued at the time an Award of Performance Shares is made. The Company shall not be required to set aside a fund for the payment of Performance Awards.

Section 6.3 Earned Performance Awards. Performance Awards shall become earned, in whole or in part, based upon the attainment of specified Performance Goals or the occurrence of any event or events, as the Administrator shall determine or as set forth in an Award Agreement. In addition to the achievement of the specified Performance Goals, the Administrator may condition payment of Performance Awards on such other conditions as the Administrator shall determine. The Administrator may also provide in an Award Agreement for the completion of a minimum period of service (in addition to the achievement of any applicable Performance Goals) as a condition to the vesting of any Performance Award.

Section 6.4 Rights as a Stockholder. A Participant shall not have any rights as a stockholder in respect of Performance Awards (including, without limitation, the right to vote on any matter submitted to the Company's stockholders) until such time as the Shares attributable to such Performance Awards have been issued to such Participant or his or her beneficiary. Performance Shares as to which Shares are issued prior to the end of the Performance Cycle shall, during such period, be subject to such restrictions on transferability and other restrictions as the Administrator may impose. Notwithstanding the foregoing, unless otherwise determined by the Administrator, the Performance Awards awarded pursuant to the Plan will receive Dividend Equivalents settled in Shares in accordance with Article VIII.

Section 6.5 Performance Goals and Related Provisions. The Administrator shall establish the Performance Goals that must be satisfied in order for a Participant to receive an Award for a Performance Cycle or for a Performance Award to be earned or vested. The Administrator may provide for a threshold level of performance below which no amount of compensation will be paid and a maximum level of performance above which no additional amount of compensation will be paid under the Plan, and it may provide for the payment of differing amounts of compensation for different levels of performance. Performance Goals may be established on a Company-wide basis, with respect to one or more business units, divisions, Subsidiaries or products or based on individual performance measures, and may be expressed in absolute terms or relative to other metrics including internal targets or budgets, past performance of the Company, the performance of one or more similarly situated companies, performance of an index, outstanding equity or other external measures. In the case of earning-based measures, performance goals may include comparisons relating to capital (including but limited to, the cost of capital), stockholders' equity, shares outstanding, assets or net assets, or any combination thereof. Performance Goals may also be subject to such other terms and conditions as the Administrator may determine appropriate. The Administrator may also adjust the Performance Goals for any Performance Cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company; changes in applicable tax laws or accounting principles; other extraordinary events such as restructurings; discontinued operations; asset write-downs; significant litigation or claims, judgments or settlements; acquisitions or divestitures; reorganizations or changes in the corporate structure or capital structure of the Company; foreign exchange gains and losses; change in the fiscal year of the Company; business interruption events; unbudgeted capital expenditures; unrealized investment gains and losses; impairments and/or such other factors as the Administrator may determine.

Section 6.6 Determination of Attainment of Performance Goals. As soon as practicable following the end of a Performance Cycle and prior to any payment or vesting in respect of such Performance Cycle, the Administrator shall determine the number of Performance Shares or other Performance Awards and the number and value of Performance Units or the amount of any cash entitlement, in each case that has been earned or vested.

Section 6.7 Payment of Awards. Payment or delivery of Company Common Stock with respect to earned Performance Shares, earned Performance Units and earned cash entitlements shall be made to the Participant or, if the Participant has died, to the Participant's Eligible Representative, as soon as practicable after the expiration of the Performance Cycle and the Administrator's determination under Section 6.6 above and (unless an applicable Award Agreement shall set forth one or more other dates) in any event no later than the earlier of (i) ninety (90) days after the end of the fiscal year in which the Performance Cycle has ended and (ii) ninety (90) days after the expiration of the Performance Cycle. The Administrator shall determine and set forth in the applicable Award Agreement whether earned Performance Shares and the value of earned Performance Units are to be distributed in the form of cash, Shares or in a combination thereof, with the value or number of Shares payable to be determined based on the Fair Market Value of the Company Common Stock on the date of the Administrator's determination under Section 6.6 above or such other date specified in the Award Agreement. The Administrator may, in an Award Agreement with respect to the Award or delivery of Shares, condition the vesting of such Shares on the performance of additional service.

Section 6.8 Newly Eligible Participants. Notwithstanding anything in this Article VI to the contrary, the Administrator shall be entitled to make such rules, determinations and adjustments as it deems appropriate with respect to any Participant who becomes eligible to receive Performance Shares, Performance Units or other Performance Awards after the commencement of a Performance Cycle.

Article VII
OTHER Stock-Based Awards

Section 7.1 Grant of Stock-Based Awards. The Administrator is authorized to make Awards of other types of equity-based or equity-related awards and fully vested stock awards, including grants of fully vested Shares (collectively, "Stock-Based Awards") not otherwise described by the terms of the Plan in such amounts and subject to such terms and conditions as the Administrator shall determine, including without limitation the payment of cash bonuses or other incentives in the form of Stock-Based Awards. Unless otherwise determined by the Administrator, all Stock-Based Awards shall be evidenced by an Award Agreement. Such Stock-Based Awards may be granted as an inducement to enter the employ of the Company, any Affiliate or any Subsidiary or in satisfaction of any obligation of the Company, any Affiliate or any Subsidiary to an officer or other key employee, whether pursuant to this Plan or otherwise, that would otherwise have been payable in cash or in respect of any other obligation of the Company. Such Stock-Based Awards may entail the transfer of actual Shares, or payment in cash or otherwise of amounts based on the value of Shares and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

Article VIII
Dividend Equivalents

Section 8.1 Generally. Dividend Equivalents may be granted to Participants at such time or times as shall be determined by the Administrator. Dividend Equivalents may be granted in tandem with other Awards, in addition to other Awards, or freestanding and unrelated to other Awards. Notwithstanding the terms of this Section 8.1, no Dividend Equivalents shall be granted with respect to Options or SARs. The grant date of any Dividend Equivalents will be the date on which the Dividend Equivalent is awarded by the Administrator, or such other date permitted by applicable laws as the Administrator shall determine. Dividend Equivalents may, at the discretion of the Administrator, be fully vested and nonforfeitable when granted or subject to such vesting conditions as determined by the Administrator; provided, that, unless the Administrator shall determine otherwise in an Award Agreement, Dividend Equivalents with respect to Awards shall not be fully vested until the Awards have been earned and shall be forfeited if the related Award is forfeited. Dividend Equivalents shall be evidenced in writing, whether as part of the Award Agreement governing the terms of the Award, if any, to which such Dividend Equivalent relates, or pursuant to a separate Award Agreement with respect to freestanding Dividend Equivalents, in each case, containing such provisions not inconsistent with the Plan as the Administrator shall determine, including customary representations, warranties and covenants with respect to securities law matters.

Article IX
Termination and Forfeiture

Section 9.1 Termination for Cause; Post-Service Competitive Activity. Unless otherwise set forth in the Award Agreement, if a Participant's employment or service terminates for Cause or a Participant engages in Competitive Activity following the Participant's termination of employment or service, all Options and SARs, whether vested or unvested, and all other Awards that are unvested or unexercisable or otherwise unpaid (or were unvested or unexercisable or unpaid at the time of occurrence of Cause or engagement in Competitive Activity) shall be immediately forfeited and canceled, effective as of the date of the termination or engagement in Competitive Activity. If the Participant engages in Competitive Activity following the termination, any portion of the Participant's Awards that became vested after termination, and any Shares or cash issued upon exercise or settlement of such Awards, shall be immediately forfeited, canceled, and disgorged or paid to the Company together with all gains earned or accrued due to the sale of Shares issued upon exercise or settlement of such Awards.

Section 9.2 Termination due to Death. Unless otherwise set forth in the Award Agreement, if a Participant's employment or service terminates by reason of death:

(a) All Options and SARs (whether or not then otherwise exercisable) shall become exercisable in full and the Participant's Eligible Representative may exercise all such Options and SARs at any time prior to the earlier of (i) the one-year anniversary of the Participant's death or (ii) the expiration of the term of the Options or SARs; provided that any in-the-money Options and SARs that are still outstanding on the last day of the time period specified in this Section 9.2(a) shall automatically be exercised on such date; and

(b) All other Awards shall immediately vest in full upon the Participant's death, and Restricted Stock Units and Performance Awards that have not been settled or converted into Shares prior to the Participant's death shall immediately be settled in Shares. Any Performance Awards that vest as a result of this Section 9.2(b) shall vest and be paid based on target levels of performance.

Section 9.3 Termination due to Disability. Unless otherwise set forth in the Award Agreement, if a Participant's employment or service terminates by reason of Disability, the Participant shall be treated for purposes of the treatment of the Participant's Awards under this Section 9.3 as though the Participant continued in the employ or service of the Company and all unvested Awards shall remain outstanding and vest, or in the case of Options and SARs, vest and become exercisable, in accordance with the terms set forth in the applicable Award Agreement. Any Options or SARs granted to such Participant that are exercisable at the date of termination by reason of Disability or that thereafter become exercisable by reason of the operation of the immediately preceding sentence may be exercised at any time prior to the earlier of (i) the fifth anniversary of the Participant's termination for Disability or (ii) the expiration of the term of such Options or SARs.

Section 9.4 Involuntary Termination Without Cause. Unless otherwise set forth in the Award Agreement, if a Participant's employment or service is involuntarily terminated without Cause:

(a) All Options and SARs that are unvested shall be immediately forfeited and canceled, effective as of the date of the termination, and all Options and SARs that are vested shall remain outstanding and exercisable until the earlier of (i) 30 days after the effective date of the termination under this Section 9.4 or (ii) the expiration of the term of such Options or SARs; and

(b) All Awards of Restricted Stock or Restricted Stock Units that are unvested shall be immediately forfeited and canceled, effective as of the date of the termination; and

(c) Provided that the Participant signs a general release and waiver of claims in the form provided by the Administrator and does not exercise any rights to revoke such release, the Participant shall retain a portion of any unvested Performance Awards granted earlier than one year prior to the termination under this Section 9.4 equal to, for each grant of Performance Awards, the number of Performance Shares or Performance Units specified in the Award Agreement multiplied by the quotient of (i) the number of full months elapsed between the grant date in respect of such Performance Awards and the effective date of the termination under this Section 9.4 over (ii) the total number of months in the Performance Cycle. Such retained Performance Awards will remain outstanding and vest subject to the attainment of the applicable Performance Goals in respect thereof. Any Performance Awards that do not vest pursuant to this Section 9.4(c) shall be immediately forfeited and canceled, effective as of the date of the termination.

Section 9.5 Termination for Any Other Reason. Unless otherwise set forth in the Award Agreement, if a Participant's employment or service terminates for any reason other as set forth in Sections 9.1 (other than post-service Competitive Activity) through 9.4:

(a) All Options and SARs that are unvested shall be immediately forfeited and canceled, effective as of the date of the termination, and all Options and SARs that are vested shall remain outstanding and exercisable until the earlier of (i) 30 days after the effective date of the termination under this Section 9.5 or (ii) the expiration of the term of such Options or SARs; and

(b) All other Awards that are unvested or have not otherwise been earned shall be immediately forfeited and canceled, effective as of the date of termination.

Section 9.6 Post-Termination Informational Requirements. Before the settlement of any Award following termination of employment or service, the Administrator may require the Participant (or the Participant's Eligible Representative, if applicable) to make such representations and provide such documents as the Administrator deems necessary or advisable to effect compliance with applicable law and the provisions of this Plan.

Section 9.7 Forfeiture and Recoupment of Awards. Awards granted under this Plan (and gains earned or accrued in connection with Awards) shall be subject to such generally applicable policies as to forfeiture and recoupment (including, without limitation, upon the occurrence of material financial or accounting errors, financial or other misconduct or Competitive Activity) as may be adopted by the Administrator or the Board from time to time. Any such policies may (in the discretion of the Administrator or the Board) be applied to outstanding Awards at the time of adoption of such policies, or on a prospective basis only. Participants shall also forfeit and disgorge to the Company any Awards granted or vested and any gains earned or accrued due to the exercise of Options or SARs or the sale of any Company Common Stock to the extent required by applicable law or as required by any stock exchange or quotation system on which the Company Common Stock is listed or quoted, in each case in effect on or after the Effective Date, including but not limited to Section 304 of the Sarbanes-Oxley Act of 2002 and Section 10D of the Exchange Act. The implementation of policies and procedures pursuant to this Section 9.7 and any modification of the same shall not be subject to any restrictions on amendment or modification of Awards.

Section 9.8 Clawbacks. Awards shall be subject to any generally applicable clawback policy adopted by the Administrator, the Board or the Company that is communicated to the Participants or any such policy adopted to comply with applicable law.

Article X

CHANGE IN CONTROL

Section 10.1 Alternative Award. Unless otherwise provided in an Award Agreement, and other than with respect to the Performance Award Conversion, no cancellation, acceleration or other payment shall occur in connection with a Change in Control pursuant to Section 10.3 with respect to any Award or portion thereof as a result of the Change in Control if the Administrator reasonably determines in good faith, prior to the occurrence of the Change in Control, that such Award shall be honored or assumed, or new rights substituted therefor following the Change in Control (such honored, assumed or substituted award, an "Alternative Award"), provided that any Alternative Award must (i) give the Participant who held the Award rights and entitlements substantially equivalent to or better than the rights and terms applicable under the Award immediately prior to the Change in Control, including an equal or better vesting schedule and that Alternative Awards that are stock options have identical or better methods of payment of the exercise price thereof and a post-termination exercise period extending until at least the fifth anniversary of the Participant's termination (or, if earlier, the expiration of the term of such stock options); (ii) have terms such that if a Participant's employment is involuntarily (*i.e.*, by the Company or its successor other than for Cause) or constructively (*i.e.*, by the Participant with Good Reason) terminated within the twenty-four (24) months following a Change in Control at a time when any portion of the Alternative Award is unvested, the unvested portion of such Alternative Award shall immediately vest in full and such Participant shall receive (as determined by the Board prior to the Change in Control) either (1) a cash payment equal in value to the excess (if any) of the fair market value of the stock subject to the Alternative Award at the date of exercise or settlement over the price (if any) that such Participant would be required to pay to exercise such Alternative Award or (2) publicly-traded shares or equity interests equal in value (as determined by the Administrator) to the value in clause (1).

Section 10.2 Performance Award Conversion. Unless otherwise provided in an Award Agreement, upon a Change in Control, then-outstanding Performance Awards shall be modified to remove any Performance Goals applicable thereto and to substitute, in lieu of such Performance Goals, vesting solely based on the requirement of continued service through, as nearly as is practicable, the date(s) on which the satisfaction of the Performance Goals would have been measured if the Change in Control had not occurred (or, if applicable, the later period of required service following such measurement date) (such Awards, the “**Alternative Performance Awards**”), with such service-vesting of the Alternative Performance Awards to accelerate upon the termination of service of the holder prior to such vesting date(s) thereof, if such termination of service satisfies the requirements of clause (ii) of Section 10.1 hereof. The number of Alternative Performance Awards shall be equal to (i) if less than 50% of the Performance Cycle has elapsed, the target number of Performance Awards, and (ii) if 50% or more of the Performance Cycle has elapsed, a number of Performance Awards based on actual performance through the date of the Change in Control if determinable, or the target, if not determinable (with the Administrator as constituted prior to the Change in Control making any determinations necessary to determine performance and the vesting date(s) thereof). The conversion of the Performance Awards into Alternative Performance Awards is referred to herein as the “**Performance Award Conversion**”. Following the Performance Award Conversion, the Alternative Performance Awards shall either remain outstanding as Alternative Awards consistent with this Section 10.2 or shall be treated as provided in Section 10.3.

Section 10.3 Accelerated Vesting and Payment. Except as otherwise provided in this Article X or in an Award Agreement, upon a Change in Control:

(a) each vested and unvested Option or SAR shall be canceled in exchange for a payment equal to the excess, if any, of the Change in Control Price over the applicable Exercise Price or Base Price;

(b) the vesting restrictions applicable to all other unvested Awards (other than (x) freestanding Dividend Equivalents not granted in connection with another Award and (y) Performance Awards) shall lapse, all such Awards shall vest and become non-forfeitable and be canceled in exchange for a payment equal to the Change in Control Price;

(c) the Alternative Performance Awards shall be canceled in exchange for a payment equal to the Change in Control Price;

(d) all other Awards (other than freestanding Dividend Equivalents not granted in connection with another Award) that were vested prior to the Change in Control but that have not been settled or converted into Shares prior to the Change in Control shall be canceled in exchange for a payment equal to the Change in Control Price; and

(e) all freestanding Dividend Equivalents not granted in connection with another Award shall be cancelled without payment therefor.

To the extent any portion of the Change in Control Price is payable other than in cash and/or other than at the time of the Change in Control, Award holders under the Plan shall receive the same value in respect of their Awards (less any applicable Exercise Price, Base Price or similar feature) as is received by the Company’s stockholders in respect of their Company Common Stock (as determined by the Administrator), and the Administrator shall determine the extent to which such value shall be paid in cash, in securities or other property, or in a combination of cash and securities or other property, consistent with applicable law. To the extent any portion of the Change in Control Price is payable other than at the time of the Change in Control, the Administrator shall determine the time and form of payment to the Award holders consistent with Section 409A of the Code and other applicable laws. Upon a Change in Control the Administrator may cancel Options and SARs for no consideration if the Fair Market Value of the Shares subject to such Options or such SARs is less than or equal to the Exercise Price of such Options or the Base Price of such SARs.

Article XI
OTHER PROVISIONS

Section 11.1 Awards Not Transferable. Except as otherwise determined by the Administrator, no Award or interest or right therein or part thereof shall be liable for the debts, contracts or engagements of the Participant or his or her successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law, by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that nothing in this Section 11.1 shall prevent transfers by will, by the applicable laws of descent and distribution or pursuant to the beneficiary designation procedures approved by the Company pursuant to Section 11.13 or, with the prior approval of the Company, estate planning transfers.

Section 11.2 Amendment, Suspension or Termination of the Plan or Award Agreements.

(a) The Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Administrator; provided, that without the approval of the stockholders of the Company, no amendment or modification to the Plan may (i) except as otherwise expressly provided in Section 3.3, increase the number of Shares subject to the Plan; (ii) modify the class of persons eligible for participation in the Plan or (iii) materially modify the Plan in any other way that would require stockholder approval under applicable law. Except as otherwise expressly provided in the Plan, neither the amendment, suspension or termination of the Plan shall, without the written consent of the holder of the Award, materially adversely alter or impair any rights or obligations under any Award theretofore granted.

(b) The Administrator at any time, and from time to time, may amend the terms of any one or more existing Award Agreements, provided, however, that the rights of a Participant under an Award Agreement shall not be materially adversely impaired without the Participant's written consent. The Company shall provide a Participant with notice of any amendment made to a Participant's existing Award Agreement.

(c) No Award may be granted during any period of suspension nor after termination of the Plan, and in no event may any Award be granted under this Plan after the expiration of ten (10) years from the Effective Date.

Section 11.3 Effect of Plan upon Other Award and Compensation Plans. The adoption of this Plan shall not affect any other compensation or incentive plans in effect for the Company or any of its Affiliates. Nothing in this Plan shall be construed to limit the right of the Company or any of its Affiliates (a) to establish any other forms of incentives or compensation for Service Providers or (b) to grant or assume options or restricted stock other than under this Plan in connection with any proper corporate purpose, including, but not by way of limitation, the grant or assumption of options or restricted stock in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, firm or association.

Section 11.4 At-Will Employment. Nothing in the Plan or any Award Agreement hereunder shall confer upon the Participant any right to continue as a Service Provider of the Company or any of its Affiliates or shall interfere with or restrict in any way the rights of the Company or any of its Affiliates, which are hereby expressly reserved, to discharge any Participant at any time for any reason whatsoever, with or without Cause.

Section 11.5 Conformity to Securities Laws. The Plan is intended to conform to the extent necessary with all provisions of the Securities Act and the Exchange Act and any and all regulations and rules promulgated under any of the foregoing, to the extent the Company, any of its Affiliates or any Participant is subject to the provisions thereof. Notwithstanding anything herein to the contrary, the Plan shall be administered, and Awards shall be granted and may be exercised, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law, the Plan and Awards granted hereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

Section 11.6 Term of Plan. The Plan was approved by the Board of Directors of the Company on April 26, 2022 (the “**Adoption Date**”), subject to stockholder approval. The Plan shall be effective on the date of its approval by the stockholders of the Company at the 2022 annual meeting of stockholders (the “**Effective Date**”) in accordance with applicable law. No awards shall be issued or granted under this Plan until or unless this Plan is approved by stockholders. The Plan shall continue in effect, unless sooner terminated pursuant to Section 11.2, until the tenth (10th) anniversary of the Adoption Date. The provisions of the Plan shall continue thereafter to govern all outstanding Awards.

Section 11.7 Governing Law. To the extent not preempted by federal law, the Plan shall be construed in accordance with and governed by the laws of the State of Delaware regardless of the application of rules of conflict of law that would apply the laws of any other jurisdiction.

Section 11.8 Severability. In the event any portion of the Plan or any action taken pursuant thereto shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provisions had not been included, and the illegal or invalid action shall be null and void.

Section 11.9 Governing Documents. In the event of any express contradiction between the Plan and any Award Agreement or any other written agreement between a Participant and the Company or any Affiliate that has been approved by the Administrator, the express terms of the Plan shall govern, unless it is expressly specified in such Award Agreement or other written document that such express provision of the Plan shall not apply.

Section 11.10 Withholding Taxes. In addition to any rights or obligations with respect to the federal, state, local or foreign income taxes, withholding taxes or employment taxes required to be withheld under applicable law, the Company or any Affiliate employing a Service Provider shall have the right to withhold from the Service Provider, or otherwise require the Service Provider or an assignee to pay, any such required withholding obligations arising as a result of grant, exercise, vesting or settlement of any Award or any other taxable event occurring pursuant to the Plan or any Award Agreement, including, without limitation, to the extent permitted by law, the right to deduct any such withholding obligations from any payment of any kind otherwise due to the Service Provider or to take such other actions (including, without limitation, withholding any Shares or cash deliverable pursuant to the Plan or any Award) as may be necessary to satisfy such withholding obligations.

Section 11.11 Section 409A. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the adoption of the Plan. Notwithstanding any provision of the Plan to the contrary, in the event that following the adoption of the Plan, the Administrator determines that any Award may be subject to Section 409A of the Code and related regulations and Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the adoption of the Plan), the Administrator may adopt such amendments to the Plan and the applicable Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Administrator determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, (b) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance or (c) comply with any correction procedures available with respect to Section 409A of the Code. Notwithstanding anything else contained in this Plan or any Award Agreement to the contrary, if a Service Provider is a “specified employee” at the time of the Service Provider’s “separation from service” (as determined under Section 409A of the Code) then, to the extent necessary to comply with, and avoid imposition on such Service Provider of any tax penalty imposed under, Section 409A of the Code, any payment required to be made to a Service Provider hereunder upon or following his or her separation from service shall be delayed until the first to occur of (i) the six-month anniversary of the Service Provider’s separation from service and (ii) the Service Provider’s death. Should payments be delayed in accordance with the preceding sentence, the accumulated payment that would have been made but for the period of the delay shall be paid in a single lump sum during the ten (10) day period following the lapsing of the delay period. No provision of this Plan or an Award Agreement shall be construed to indemnify any Service Provider for any taxes incurred by reason of Section 409A (or timing of incurrence thereof), other than an express indemnification provision therefor.

Section 11.12 Notices. Except as provided otherwise in an Award Agreement, all notices and other communications required or permitted to be given under this Plan or any Award Agreement shall be in writing and shall be deemed to have been given if delivered personally, sent by email or any other form of electronic transfer approved by the Administrator, sent by certified or express mail, return receipt requested, postage prepaid, or by any recognized international equivalent of such delivery, (i) in the case of notices and communications to the Company, to its current business address and to the attention of the Corporate Secretary of the Company or (ii) in the case of a Participant, to the last known address, or email address or, where the individual is an employee of the Company or one of its Subsidiaries, to the individual’s workplace address or email address or by other means of electronic transfer acceptable to the Administrator. All such notices and communications shall be deemed to have been received on the date of delivery, if sent by email or any other form of electronic transfer, at the time of dispatch or on the third business day after the mailing thereof.

Section 11.13 Beneficiary Designation. Each Participant under the Plan may from time to time pursuant to procedures approved by the Company name any beneficiary or beneficiaries by whom any right under the Plan is to be exercised in case of such Participant’s death.

180 Life Sciences Provides Update on Correspondence Received from U.K. and U.S. Regulatory Authorities on Pathway for a Therapy That Could Prevent Progression of Early-Stage Dupuytren's Disease

PALO ALTO, Calif., June 14, 2022 -- 180 Life Sciences Corp. (NASDAQ: ATNF) ("180 Life Sciences" or the "Company"), a clinical-stage biotechnology company focused on the development of novel drugs that fulfill unmet needs in inflammatory diseases, fibrosis and pain, today announced receipt of a written response from the U.K. Medicines and Healthcare products Regulatory Agency (MHRA) and from the U.S. Food and Drug Administration (FDA) related to questions submitted in a Type C meeting request on the Company's planned use of anti-TNF treatment, adalimumab, to treat early-stage Dupuytren's disease

Dupuytren's disease is a common chronic, progressive fibrotic condition of the hand that causes the fingers to curl irreversibly into the palm and can be very disabling. Approximately 20-35% of patients with a palmar nodule of early-stage Dupuytren's disease progress to finger contractures. Roughly 12 million people in the U.S., 2.5 million in the U.K. and 18 million in the EU have early-stage progressive Dupuytren's disease. Currently, there is no approved treatment for these patients, who must wait until the disease progresses with loss of hand function before undergoing surgery or treatment with collagenase. Unfortunately, the disease tends to recur after these treatments.

The MHRA provided initial feedback following a scientific advice meeting. The agency agreed that there is no need for further non-clinical studies for the planned use of anti-TNF treatment, adalimumab, to treat early-stage Dupuytren's disease and the absence of non-clinical studies can be supported by review of the literature. The MHRA indicated that while it is biologically plausible that the primary endpoint of nodule hardness and secondary endpoint of nodule size could correlate with disease progression, they would require evidence to validate them as clinically meaningful surrogate endpoints. Without evidence that the endpoints used in the Phase 2b trial are predictive of clinical endpoints and addressing other identified study issues, it is unlikely Phase 2b study would be considered acceptable as a single pivotal study to support a Marketing Authorization Application. The Company is in the process of preparing the evidence to support the Phase 2b endpoints and to address other MHRA concerns.

The FDA provided written responses to the Company's questions on clinical trial endpoints posed in a request for a Type C meeting. The FDA indicated that the proposed outcome measures of nodule hardness and nodule size are not clinical outcome measures that measure how a patient feels, functions, or survives, which would be needed to support a demonstration of efficacy in registrational studies. The FDA recommended considering a pre-investigational new drug (PIND) meeting request to receive further regulatory guidance. The Company plans to request a PIND meeting.
